Intertek S Mark Certificate with No. 811840

We are pleased to enclose the Intertek S Mark Certificate you have applied for.

The S Mark – a marketing resource

S Mark Certification is a way of making sure that your brand's equity will not be put at risk by a safety failure of the product. The use of the S Mark in your marketing is also a way of adding value to your brand and promoting trust among your customers.

The S Mark is a European safety mark offered by Intertek ETL SEMKO. The letter 'S' tells 450 million people in Europe that your product is safe. The word for safety starts with an 'S' in most of the languages in Europe, e.g. Safety, Sicherheit, Seguridad, Sécurité, Sicurezza, and Säkerhet.

As products become increasingly interchangeable, trust counts more than ever. This is why the S Mark is a key selling point. It is a well known symbol for safety and shows that Intertek has independently tested and certified the product's compliance to applicable European safety requirements. Critical consumers and retailers look for third-party validation to complement their CE marking, as it helps retailers to meet their product liability requirements, and make the consumers' buying process simpler.

Read more about the S Mark and how other companies use it to gain competitive advantage: www.etlsemko.com/s-mark

Mandatory factory inspections

In addition to your product certification, it is mandatory for inspections to be performed at your manufacturing site/s. The inspections are carried out by our inspectors or subcontractors. For details of the technical requirements for these inspections, please contact inspection.etlsemko@intertek.com.

Yours sincerely

Intertek Semko AB
 Certification

Enclosure: Intertek S Mark Certificate

Certificate

for European Product Safety

Reference No. 811840

Switch with detects motion(moving person) sensor for electrical installations

Type designation	HC001S
Certificate holder	Hydrim Electronics Co., Ltd. 4F, East, Block B, North Junyi Ind. Park, Culgang 6th District, Huaide, Fuyong Town, Shenzhen, P.R. CHINA
The product complies with the standard(s)	EN 60669-1:1999 and A1 EN 60669-2-1:2004
Date of expiry	22 August 2013
EU Directive information	The product satisfies the provisions for CE marking according to the Low Voltage Directive 2006/95/EC.

Additional information in Appendix.

Certification Body	Intertek Semko AB, Product Certification	Place	Kista - Stockholm
Signed	 Ulf Hedlund	Date	22 August 2008 Page 1 of 2

This certificate is issued in accordance with the terms and conditions set out in the Appendix.

Appendix

Reference No. 811840

Technical data

Type designation	HC001S
Rated voltage (V)	220-240 V
Rated power (W)	Max. 1000 W for incandescent lamps; Max. 400 W for fluorescent lamps
Frequency (Hz)	50/60 Hz
Brand name:	HYTRONIK
Product information	Micro-gap; Integrated type; ta 70 °C

Manufacturing site(s) Hydrim Electronics Co., Ltd.
4F, East, Block B, North Junyi Ind. Park,
Cuigang 6th District, Huaide,
Fuyong Town, Shenzhen,
CHINA

If the product is to be marketed in different European countries, it must be provided with a certified plug appropriate for each country.

Safety related parts of the user instructions shall be written in a language acceptable to the country where the product is to be used.

This certificate, which includes production control, is considered to constitute sufficient support for an EC Declaration of Conformity and CE marking of the product according to the Low Voltage Directive 2006/95/EC.

Certification Body Intertek Semko AB, Product Certification Place Kista - Stockholm

Signed

Ulf Hedlund

Date 22 August 2008

This Certificate is for the exclusive use of Intertek's Client and is provided pursuant to the Certification agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this certificate. Only the Client is authorized to permit copying or distribution of this certificate and then only in its entirety. Use of Intertek's Certification mark is restricted to the conditions laid out in the agreement. Any further use of the Intertek name for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. Initial Factory Assessments and Follow up Services are for the purpose of assuring appropriate usage of the Certification mark in accordance with the agreement, they are not for the purposes of production quality control and do not relieve the Client of their obligations in this respect.
